## TICKETS

We provide a free spot on the Truckstar festival for every loaded Broshuis combination, furthermore you will be part of the convoy, an unforgettable experience. Because last year almost everyone booked a catering package, we have decided to add a catering package to each ticket as standard. You pay € 70, - for your catering package for the whole weekend.

This means that it is not possible to order individual weekend tickets anymore, only weekend tickets including catering. Additional admission tickets can be purchased from us at a reduced rate. Admission tickets and catering for Saturday can be ordered in the registration form.

## CATERING

### What can you expect from our catering package?

- Food and drinks on Friday before departure in Kampen
- Meatball with sauce on Friday evening upon arrival
- Breakfast and lunch on Saturday
- Complete BBQ on Saturday evening (+ late night snack)
- Breakfast and lunch on Sunday

We will again give the opportunity to buy drinks/beverages from us. This will save organising and bringing fridges and supplies. We will offer drinks to Broshuis participants at reduced rates.
